

## The Bundanoon Highland Gathering Inc. Bundanoon is Brigadoon Saturday 1 April 2023 **Disbursements**

# "By the Community for the Community"

The Bundanoon Highland Gathering Committee would like to acknowledge the effort and commitment from the large number of volunteers who gave countless hours of tireless labour to assist in making "Brigadoon" such an outstanding success for 2023.

Once all our costs are taken into consideration and after appropriating a small management budget for the following year all surplus monies are distributed back into the community.

The committee ensures that it recognises the commitment of those local volunteer and charity groups who give countless hours of labour to the gathering for their assistance in the preparation and organisation of the day by disbursing the monies raised on a proportional basis to each organisation.

It is only through the generosity of people and organisations like them that we at "*Brigadoon*" can achieve our goals, maintain the already evident enthusiasm such a wonderful cultural showpiece, and continue to promote the Southern Highlands as a "*Must See*" tourism location but more to the point financially reward the local community for their outstanding volunteering efforts

This is a highly significant opportunity for the local community to fund raise for their own specific groups by having a stall site or volunteering their services at Brigadoon.

The Committee has once again fulfilled their obligation to the community by disbursing the funds raised on the day back into the community coffers.
