### Cancellation of the Bundanoon Highland Gathering on 3rd August 2024 ( the Brigadoon Spring Edition)

I wish to advise that after an inspection of Bundanoon Oval and its parkland on the weekend by the Executive of the Brigadoon Committee it has been decided to make an early call to cancel this event.

With the predicted winter weather forecast where more rain is expected and with no conditions to dry out the grounds, conditions under foot will not be favourable for all concerned.

Already there is damage to the oval and its precinct from normal visitations of locals and with the added thousands expected for our event the damage would be astronomical.

We take our responsibility for the care and preservation of Bundanoon Oval seriously and want this oval to be usable all year round, not just for one day.

Coupled with this is the damage throughout the village from the increased parking on street verges as our car park in Jordans Crossing Park would be closed to all parking.

The Committee is deeply conscious of its duty of care to the health, safety and well being of everyone who participates at or attends the Bundanoon Highland Gathering where Bundanoon becomes Brigadoon.

We apologise for the cancellation of the event but the weather has beaten us yet again.

I would like to welcome you all to come along to our ( third time lucky ) 44th Bundanoon Highland Gathering on 5th April 2025.

Yours Faithfully,

Peter Rocca
