

Would you like to have your stall at Brigadoon? We welcome new stalls participating in our event

Information for new stallholders

Brigadoon is a major Scottish festival which attracts a large crowd each year. It is a special event and we expect that our stalls will reflect this.

Stallholders wishing to take part in the event are encouraged to apply for a space. Evaluation of applications will take into account the details that you provide. Your stall should be selling new goods with preferably a Scottish theme or at least the stall should be decorated suitably to reflect this. We look for variety in the range of products being sold between stalls.

The fee charged is for the rent of a space. You need to provide your own marquee, tables, chairs and anything else you need.

All stalls are 4.5 metres deep with frontage from 3 metres to 9 metres. Fees charged will vary with the size of your stall. You must contain your stall within your space and not encroach on other stalls.

All stallholders must carry Public Liability and Product Liability Insurance for \$20,000,000 covering the date of Brigadoon and provide documentation.

Power is available for stalls requiring it for a separate fee.

Stalls selling food products must have a NSW Food Safety Certificate or evidence of exemption if applicable. Food stalls must not use any single use plastics such as straws, plates, bowls and other food service items.

If you are interested in applying please fill in the Application Form on this website and return it with a photograph of your stall. If your application is successful we will send you more information.

Brigadoon is held on the first Saturday in April. The closing date for acceptance of new applications is the end of January prior to the event.
